SHAR GRACELYN AND DANIEL KAPLAN

The Love's Awakening 4-Day Seminar is the signature event of the Love's Awakening offerings. The Seminar is a residential program for people who are serious about growing and transforming in their lives.

The Seminar offers an intimate, supportive environment for you to go deep within yourself, free of outside influences, without the distractions of work, family, media, and familiar surroundings.

Through your desire, you will be able to access an undeniable connection with the Source of love and compassion.

This is a life-changing event.

In her first Love's Awakening Seminar, Shar found a personal connection to God and knew this was the most powerful transformative experience she had ever participated in. She trained with spiritual masters, the founders of the Seminar, and has been leading workshops and seminars all over the world, helping people find a greater connection to Self, God, Spirit, and their true calling in this lifetime.

Daniel's life has been dedicated to self-realization and God-realization for over 40 years. He has been facilitating meditations & workshops, and Love's Awakening Seminars internationally since 1996.

With his expertise and compassionate insight, Daniel guides & inspires those desiring a life lived in deeper self-acceptance, love, freedom, passion and purpose.
